

Resident Lease Notification Form

Tamarac Lakes Association
P.O. Box 314
Medford, NJ 08055
Board@TamaracLakes.org

The Tamarac Lakes Association bylaws (Article III, Section 1, Sub-Section b.) entitle a resident tenant, leasing from a member homeowner (landlord) in good standing, to membership. To ensure our resident tenants receive the privileges of membership, the association must be notified of the bona fide landlord-tenant relationship. This form should be completed by the resident tenant(s) to inform the association of the relationship. The association's membership committee maintains this documentation.

For verification purposes, the association requires a copy of the lease in addition to this form. The lease must show:

- The property address
- The property owner's name(s) as the lessor(s)
- The tenant's name(s) as the lessee(s)
- Lease end date
- Full execution (signed by lessor and lessee)

Important: Any other information on the lease is irrelevant to this process; please redact any sensitive information as desired. Please complete this form, attach a (redacted) copy of the lease, and return it to Tamarac Lakes Association.
