

- We need a bullhorn for the lifeguard shack.

Unfinished Business

- 88 Tallowood, a gate was installed without Tamarac approval, a check with the township would be done to see if a permit was obtained.
- Trees in the waterways

Homeowner Comment

- Leslie advised that trash is being thrown in our trash cans during events.
- The issue of cars on the beach during parties was mentioned, the offenders refused to move their cars when requested.
- Ashley should be notified of any trash other issues for these scheduled events where the pavilion is rented out.
- Lifeguards should know who the main family who rented out the beach.
- 61 Tallowood, a road is cut into the woods and trees are cut down.
- Leslie request to have the boat ramp inspected
- 114 Pinecone built a bulkhead after the letter from the lawyer.
